PLANNING COMMISSION**(Advisory Committee on Irrigation & Power Projects)****RESOLUTION***New Delhi, the 30th July 1956*

No. PC(V)/IV(5)/56.—In accordance with the emphasis laid in the First Five Year Plan on the need for following a national policy for the development of Irrigation and Power, a Technical Advisory Committee was formed in October 1953—vide resolution No. PC(V)/IV(5)/54 dated 20th February 1954 for examining and making suitable recommendations to the Planning Commission on the various projects proposed for the Second Plan by the State and Central Governments. The Committee's term expired on the 29th February, 1956.

Detailed project reports were not received for a large number of the schemes proposed in the second plan. For projects for which reports were received it was found that often they lacked details essential for technical and financial scrutiny. A number of such projects have been provisionally included in the Second Five Year Plan in anticipation of such further investigation and revision as might be necessary. It is proposed that the project reports of such schemes should be considered by a Committee composed of the representatives of the Planning Commission, Ministries of Irrigation & Power and Finance and specialists who may be associated with the work of the Committee from time to time.

The functions of the Committee will be generally the same as those of the former Committee, namely, to examine irrigation and power projects proposed by the State and the Central Governments and other authorities, to satisfy itself that:—

- (i) the schemes have been prepared after detailed investigation;
- (ii) the schemes are technically sound and the estimates are complete and correct; and
- (iii) the financial forecasts and estimates of benefits derived are based on accurate data and are reliable,

and, on the basis of such enquiries, to advise the Planning Commission on the merits of the individual projects.

The Committee will consist of the following:—

Chairman.

1. Shri J. L. Hathl, Deputy Minister.

Vice-Chairman

2. Shri T. Sivasankar, Secretary, Ministry of Irrigation & Power.

Members

3. Shri Kanwar Sain, Chairman, Central Water and Power Commission.
4. Shri Yadava Mohan, Chief, Natural Resources Division, Planning Commission.
5. Shri M. Hayath, Member, Hydro-electric Central Water & Power Commission (Power Wing).
6. Shri P. K. Basu, Joint Secretary, Ministry of Finance, Irrigation & Power Division.

Member (non-Official)

7. Shri N. N. Iengar.

Shri Yadava Mohan, Chief of the Natural Resources Division will also act as the Secretary of the Committee. Shri M. G. Hiranandani, Director, Technical Examination Directorate of the Central Water & Power Commission (Water Wing) and Shri V. R. Raghavan, Director in the Central Water & Power Commission (Power Wing) will act as Additional Secretaries.

The term of the Committee will be one year. The Committee will determine the procedure for examining schemes from Central and State Governments and other authorities and for their examination, including the setting up of sub-committees, etc. The Committee may, whenever necessary, request the representatives of State Governments to participate in discussions relating to projects proposed by them.
